Patricia,

I already sent Cindy Singletary/CPetersen an email. I will not be attending the training as I am responding to the Gold King Mine Spill. Thanks.

Jhana,

Per comm with Chris P, I changed some of your expenses to charge to training \$ and signed your TA. However, we're having some \$ reprogrammed to training. Once funds are received, I'll initiate TA amendment to change a few more of your lodging/per diem to training \$.

Pls attach GETA memo approval memo to your voucher. If you have any questions, let me know.

Thanks,

Attached is the GETA approval. Pls attach to the SF-182. There is only \$615 in Oil training dollars. Will check with Jo Ann for the missing \$204 that was used on contracts vice training.
